MyDigitalLobby, is 6 innovations.
Synchronized with Walter app,
you benefit from your own e-concierge.

E-CONCIERGE **by DECAYEUX**

100% cloud based management system.

A unique and open ecosystem,
The lobby is controlled
autonomously and securely via an application.

Simple

—

The walter service program synchronizes all our innovative solutions. You can connect to your lobby via your smartphone where you will access all the tools necessary..

Cloud-based management

—

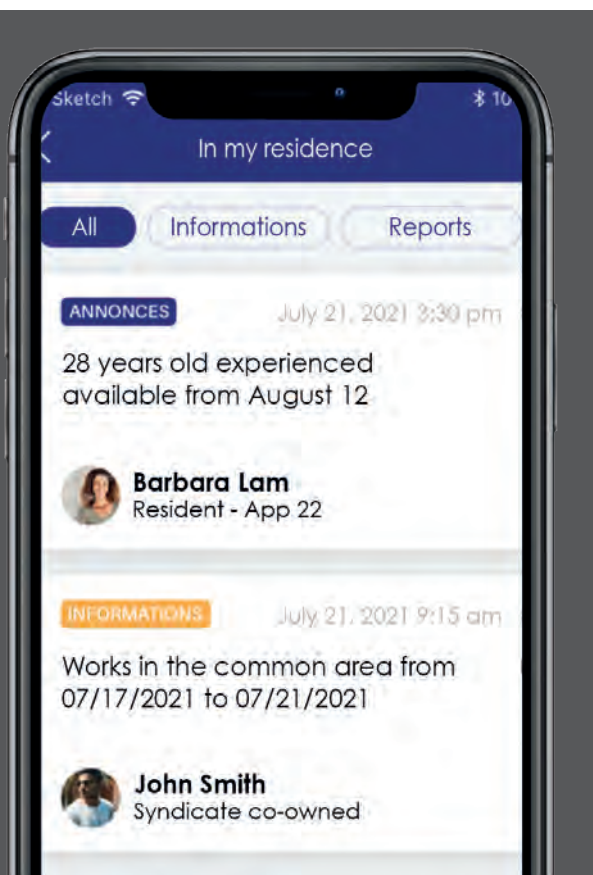

All innovative solutions can be control remotely from wherever you are.

Efficiency

—

With Walter, you can modify datas in real time.

07

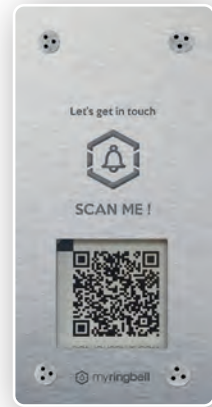

RING, CONTACT, OPEN

No more contracts with MyRingBell ?

A secure, wireless, subscription-free intercom system that allows you to grant access to the lobby from your phone.

PORTADAPTE®

The Portadapte is a new generation door, it is 100% secure and can be operated remotely.

Schedule opening and closing times. Give access to anyone you want from your smartphone.

The Portadapte is a sliding door suitable for people with disabilities and the elderly.

Save Money

—

No financial contract, the intercom service is free.

09

Simple

—

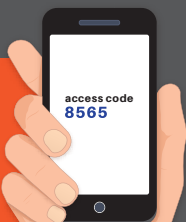

Installation and set-up are quick and easy. No electrician or maintenance needed.

DECAYEUX CONNECT

A one of access code

A unique randomly generated code can be sent to a phone by MSB

IDENTIFY, MODIFY, CALL

What about putting a MyTag on your letterbox ?

A secure device that allows data to be updated in 1 click.

Simple

—

All you have to do is change the door of your letterbox. No heavy work required (flush, vandal-proof system).

Durable

—

MyTag is designed for a lifespan of 5 years without changing the battery. Eco-designed, Mytag has low energy consumption. Its readability is guaranteed for optimized reading comfort.

Compatibility

—

The labels are compatible with MyDecayeux data management system. LED light helps the delivery driver to spot the correct letterbox.

1 1

The first wireless, flush, stand-alone e-paper nametag, interactive, installed in Plug&Play

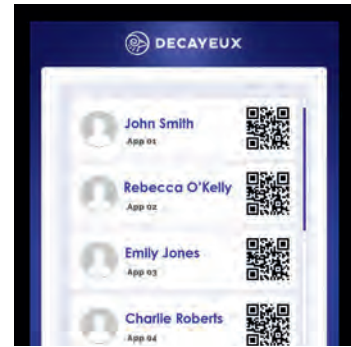

INFORM, COMMUNICATE, INTERACT

Share information related to the life of the residence with MyBoard ?

A smart device to keep the community connected.

- Anti vandal touch screen
- Shatterproof glass
- 3 dimensions available
- Delivered ready to use
- multiple display
- network available

Simple

—

The boards are easy to install in the lobby and can be integrated mailboxes and MySmartBox.

Robust

—

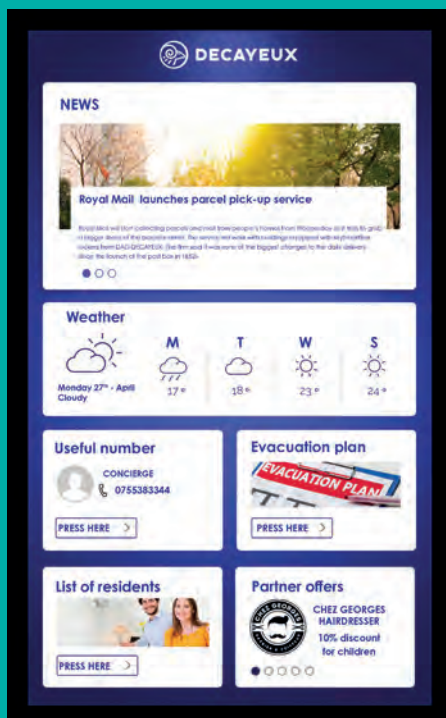

Thanks to over 150 years of experience in the security industry this interactive board is designed to be vandalproof.

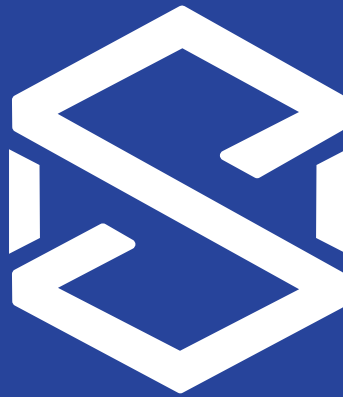

Compatibility

—

MyBoard is compatible and synchronize with Walter App.

1 3

ORDER, COLLECT, EXCHANGE

Secure, Plug & Play and Tailor Made

**MyDigital Lobby can offer new digital services
such as electronic parcel lockers.
